Demonstration Group			
#	Name	City	Age
102	Eamon Hanson	Etobicoke, Ontario, Canada	4
103	Jamieson MacNeil	Ruthven, Ontario, Canada	3

This new, non-competitive group will give all non-competing dancers, or those not quite yet ready to compete the opportunity to perform in a competition-like setting and get the experience before the pressure of a true competition. Designed for pre-primary or pre-beginner dancers to have more opportunities to perform and get experience prior to competing (if they choose to one day). Each demonstration dancer will get a participation award and a certificate as well as a written critique from the judge, but will not be judged, awarded points, or medals. To help easily identify these dancers, they will have red dance numbers, used only for the judges critique papers.

The number of awards presented was based on the dancer-to-prize ratio recommended by FUSTA - awarding 2 places less than the number of dancers competing, up to 6 places. Number of dancers is based on the total number of dancers actually competing, meaning those who physically danced on the stage. Dancers who registered but did not compete are not counted for placings awarded.

NOTE: this ratio was NOT used in the primary category!
