This, non-competitive group gives all non-competing dancers, or those not quite yet ready to compete the opportunity to perform in a competition-like setting and get the experience before the pressure of a true competition. Designed for pre-primary or pre-beginner dancers to have more opportunities to perform and get experience prior to competing (if they choose to one day). Each demonstration dancer will get a participation award and a certificate, but will not be judged, awarded points, or medals.

*The number of awards presented was based on the dancer-to-prize ratio recommended by FUSTA - awarding 2 places less than dancers competing, up to 6 places. Number of dancers is based on the total number of dancers actually competing, meaning those who physically danced on the stage.*

*Dancers who registered but did not compete are not counted for placings awarded.*

*Groups are divided to allow majority of groups to give out to 6 medal placings under this guideline.*

*NOTE: this ratio was NOT used in the primary or choreography categories!*
